

This is to certify that
Verifile Holdings Limited

5 Franklin Court, Stannard Way, Priory Business Park, Bedford, MK44 3JZ

Has been assessed
by Daniel Pollard for NCC Group
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials PLUS

Scope: Verifile Holdings external facing infrastructure and standard user workstation

Certification date: December 4th, 2017

Recommended re-assessment date: **December 3rd, 2018**

Certificate no.: 7003045841939741

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
